Boghall Primary School Pupil Equity Fund (PEF) Summary 2024 - 25

Boghall PEF allocation 2024-25: £94325

How have we used this money to create a culture of equity in our school?

Embedding
inclusive
pedagogy and
differentiation in
Reciprocal
Reading lessons

Whole school Team around the Class approach to identify poverty related gaps and plan interventions to address these.

Family Link Worker supporting Parent Engagement, attendance and access to wider supports

Staff training to support all children to develop writing skills across the 4 contexts of our curriculum

We ensure our learners are consulted through learning conversations to ensure their views and opinions inform our targeted work. Our Pupil Council take the lead on our participatory budget spending by consulting and planning how to spend an allocation of our PEF Budget.

Targeted work and interventions will include...

Family Link Worker supporting attendance

Targeted Life Skills groups at identified stages to support young people to understanding wellbeing.

Developing the use of Ist Class Number to support in the middle school. Focused support to develop writing stamina at identified stages.

Focused support to develop number skills at identified stages/
